Hi Carson,

Let me know through your planning that you may want emergency storage of trucks. Ministry willing and able to provide as part of emergency order to have private citizens to set up storage sites for trucks.

Let me know.

Thanks

Hi Fuad,

As discussed there are 64 total Heavy tow companies in province.

Companies who would provide service: 7 with 34 total Heavy Tow units

Companies who would NOT provide or no information yet: 57 with 269 total Heavy Tow units

10 companies waiting for call back from the 57 total.

We are now starting to look at border tows who could assist from US , Quebec.

I spoke to Deputy Harkins,

He is going to get back to me on needs for storage / pounds if /when start to tow. They do have plans but very dependent on numbers to be impounded.

As you suggested , it may be very helpful to have the immunity Emerg Order ready for community members to assist with land/ facilities if required.

Thanks

Rose
